NEVER MISS OUT ON A SHOW

Located in the heart of Saskatoon's vibrant downtown; TCU Place is where you will find the intimate and elegant Sid Buckwold Theatre. The 2,000 seat theatre attracts a variety of shows, entertainers and speakers, appealing to a wide array of interests.

Over the years we have hosted many exciting acts including Cinderella, Boney M, Kinky Boots, Johnny Reid, Florida Georgia Line, John Mellencamp and Rent, to name a few. The Sid Buckwold Theatre is home of the Saskatoon Symphony, performing 10 regular season shows, as well as the Fireside Singers.

Being a Corporate Box or Suite holder gives you great seats and ensure you never miss out on sold out shows! Tickets are purchased on a show by show basis. This gives the ability to choose shows that suit you and your clients' schedule and interests. There are options for leases 1-3 years.
